What to Wear

Sri Lanka in February is warm and humid — think breathable fabrics, and heels that can handle sand and grass.

CIVIL CEREMONY · DINNER & DANCE

Summer Formal

Pastels, florals and soft colour — colour is encouraged. Linen suits, flowing dresses and heels that can handle sand. Please avoid black, white and red. The ceremony will take place on the beach, so we recommend wearing comfortable, sand-friendly footwear.

POOL PARTY

Resort Beach Chic

Elegant swimwear, kaftans and cover-ups, open linen shirts and swim shorts. Sunglasses essential.

SANGEET, DINNER & DJ NIGHT

Bollywood Glam

Indian and Indo-Western at its most vibrant — sarees, lehengas, bandhgalas and kurtas. The brighter the better, and made for dancing.
